Joining on or after 1 January 2019 **£9.00** Concessions **£7**

Any WJ member who wishes to use the gym must pay an extra £19pa (concessions £10) direct to Wodson, to cover insurance.

The standard rate for membership including the gym is £68pa, so WJ members benefit from a significant saving.

*Wodson Park is a community sports centre and a registered charity. The money to build it was raised by public donation and Lottery funding. It remains independent and totally self-funded; it receives NO money from the local authority or any governing bodies. As well as needing to comply with Charity Commission/HMRC guidelines, Ware Joggers has a long standing agreement with Wodson Park for free use of the facilities on club nights, in return for members also becoming full members of Wodson Park.

Membership of Wodson Park entitles the holder to discounted rates for all activities including money saving monthly Aerobic class and gym tickets, hire of Wadesmill suite for events, hire of the bouncy castle etc. for children's parties and access to the members bar and café.

England Athletics registration
